Update: Latest news from Gauteng PHSDSBC Chamber

Gauteng Department of Health: Organisational structure realignment

The Gauteng Department of Health reported that it intends to conduct an organisational structure realignment to suit the growing needs of healthcare services. The draft organisational structure is in the process of finalisation. Once the draft organisational structure is finalised, the PSA will be consulted for input.

Gauteng Emergency Medical Services (EMS)

The employer reported that the matters of EMS have been discussed at the Provincial Chamber because there was no established EMS multilateral forum meeting. The employer reported at the Chamber that the EMS multilateral forum has been established. It was decided that EMS matters be relegated to the EMS multilateral forum for further deliberations and removed from the agenda of the Provincial Chamber. The PSA has four representatives employed by the Gauteng EMS who are going to form part of the multilateral forum.

Establishment of Chamber Task Team to Monitor Implementation of PHSDSBC Agreements

The Department of Health and the Department of Social Development reported that the recognised unions were invited to the establishment of the Gauteng Task Team. The Task Team was established and will report to the Chamber on the progress of monitoring resolutions/collective agreements signed at PHSDSBC.

Members will be informed of developments.
