## Feedback: Coordinating Chamber for Gauteng Province (CCPGP)

### Conditions of buildings: Gauteng Province

The convener of the Department Infrastructure Development for the province of Gauteng failed to attend this meeting. The PSA expressed dissatisfaction with the undermining attitude of the employer by failing to attend the meeting. The agenda item was deferred to a special meeting that will be held in January 2023.

### Provincial EPMDS report

The Gauteng Provincial Government has reported that the 2020/21-financial year has been implemented to all qualifying employees. However, the PSA indicated that there are employees who have not been paid their PMDS pay progression. The Gauteng Department of Health committed to paying all outstanding PMDS pay progression and performance bonuses. The payment date will be communicated to labour shortly.

The Cooperative Governance and Traditional Affairs (COGTA) Department has not completed pay progression and performance bonuses for 2020/21 and committed to completing PMDS payments by the end of January 2023.

Members will be informed of developments.
