

FOR PSA MEMBERS: **GENERAL 18/2023**

19-12-2023

PSA partners with *Hi-Q Automotive* for exclusive discounts for members

The PSA has pleasure in announcing an exciting partnership with ***Hi-Q Automotive (Pty) Ltd (Hi-Q)***. Through this partnership, PSA members will be able to purchase *Hi-Q* products and services at preferential rates and discounts from any *Hi-Q* branch nationally.

Some of the preferential rates include:

- **45%** discount on tyre brands such as Good Year; Sava and Voyager, to name a few.
- Wheel alignment from as low as **R230** (excl VAT).
- Discounts on batteries (**40% discount**); brakes (**45% discount**) and shocks (**50% discount**)
- Free battery testing and a trade in value of **R265** (excl VAT) for your old battery when buying a new one. As you know, you hardly get anything for your old battery when buying a new one, with other service providers.

The complete listing of the offering including the pricing is on the *attached* document.

To qualify for the preferential rates and discounts when making a purchase, members **must**:

- **Provide proof of identification (ID)**
- **Provide membership number**

Members must also inform/request the ***Hi-Q*** store to have the following information reflect somewhere on the invoice:

- PSA cash customer code: **PSA1223**.
- His/her name and surname as well as contact number.
- ID number.
- Provide the Department where the member works.

Payments are to be done at the time of transacting *via* Cash, Debit card or Credit Card.

To keep track of the take up of this offering, please assist by sending a copy of the invoice after the purchase *via* email to Mahlatsi Koma (mahlatsi.koma@psa.co.za) or Whatsapp to 060 522 0258. The PSA needs to see the **invoice number** and the location of the ***Hi-Q*** branch you would have bought from.

So, members can hide any other information if they are not comfortable with it being shared. The members assistance in this regard will be highly appreciated.

The PSA is very excited about this partnership and hopes that members will take advantage of it.

The effective date for this is today, **19 December 2023**.

Reuben Maleka
GENERAL MANAGER
