## Update: SARS - Gauteng

### Notice to SARS employees when applying for PSA membership

The PSA has noticed that SARS employees who join the PSA continue to have an agency-fee deduction on their salary advice. This problem is mainly caused by members joining PSA and their membership application forms are not forwarded to HR for manual implementation on the SARS system.

### Advice to PSA employees who joined PSA

Employees who joined the PSA in Gauteng are advised to check their pay slip and ensure that the correct deduction is made from their salary advice (**PSA**). This will also assist the employee when needing assistance from the PSA to ensure membership is fully paid up. Member who still have agency fee deductions are urged to immediately contact the following PSA representatives as per stipulated regions.
