Feedback: 2023/24 Wage Negotiations

It was previously reported that the continuation of wage negotiations was scheduled for 5 July 2023, following a failed meeting which was due to take place on 28 June 2023, owing to the unavailability of the parties. On 5 July 2023, the PSA was ready to continue with negotiations but unfortunately the Chairperson was reportedly ill, and other members were on vacation leave. However, the chair indicated that they will make themselves available for the meeting, so it was requested that it be rescheduled to 10 July 2023 to obtain a revised offer on the demands from the Board.

The PSA is concerned in the manner that the process is derailed on account of the employer's procrastination and requested to meet with the CEO to raise the Unions concern. In a meeting with the CEO, it was clear that the CEO was not aware that there were challenges in holding meetings with the negotiating team and he undertook to engage with the team to ensure the negotiations are prioritised.

Members will be informed of further developments.
