04-12-2023

Settlement agreement: Grant Officers

Grant Officers employed at the NLC were requested to perform additional duties that were not listed on their job descriptions. Grant Officers in the Western Cape and Eastern Cape declared a dispute at the CCMA. A settlement agreement was signed whereby it was agreed that Grant Officers will not perform these additional tasks. Grant Officers from other provinces have also declared similar disputes at the respective CCMA Provincial Offices. Owing to the influx of disputes declared at the CCMA in various provinces, the PSA on 17 November 2023, forwarded a letter to the Commissioner of the NLC, requesting that the settlement agreement be extended to all provinces.

The Commissioner of the NLC, on 29 November 2023, responded with a letter addressed to all Provincial Managers from various provinces, informing them that the settlement agreement must now be extended to all Grant Officers. In addition, all Provincial Managers must bring this to their attention.

Members will be informed of developments.
