FOR PSA MEMBERS: **ONDERSTEPSPOORT BIOLOGICAL PRODUCTS (OBP)**

05-05-2023

Recognition agreement: Onderstepoort Biological Products

The PSA and Onderstepoort Biological Products (OBP) entered into a recognition agreement. The agreement makes provision for organisational rights being afforded to the PSA once it can obtain a 33% membership at the OBP.

The PSA will, as a registered trade union, be able to assist members with individual cases, but will only be able to take part in collective bargaining once the threshold of 33% has been reached.

The PSA wants to extend a welcome to its existing members at the OBP and invite non-members to join the PSA, thereby enjoying all benefits of the PSA. Members can rely on sterling service being provided. The PSA will be holding member meetings to formalise a structure and further information on processes.

To join the PSA, contact Molefe Mosaka at molefe.mosaka@psa.co.za or WhatsApp 082 880 8927.

Members will be informed of developments.
