Update: PSA dispute to CCMA

The employer procured the services of *Emergence Growth* to conduct a benchmarking exercise for all employees of OBP. This exercise was conducted and finalised. This was brought to the attention of labour at Bargaining Forum meetings. The PSA then requested the results of the benchmarking exercise conducted together with the job-evaluation results that were received from *Emergence Growth*. The employer promised to make these results available to the PSA but has to date failed to do so.

The PSA referred a dispute to the CCMA on 19 November 2023. The matter is set down for conciliation on 7 December 2023.

Members will be informed of developments.

Employees who want to join the PSA can contact Molefe Mosaka on 082 880 8927 / molefe.mosaka@psa.co.za or contact PSA Provincial Offices.
