Uniform allowance collective agreement signed by majority

Provision of uniform: Review: Uniform Allowance - Nurses

Previous editions of the PSA's *Informus* refer. Members were in the last *Informus* advised of the background and developments in respect of the provision of the uniform (copies of previous editions of the *Informus* are available on the PSA's website (www.psa.co.za) or from PSA Provincial Offices).

Members were also requested to actively participate in the electronic voting system, which started on 2 October and ended on 4 October at 16:00. Unfortunately, despite all attempts and efforts made to obtain a mandate from members, the PSA received poor response and therefore could not append its signature. The agreement does enjoy a majority signature and will be implemented accordingly.

The PSA wishes to emphasise the importance of its mandating process and urges members to actively participate in future processes to enable the PSA to act on behalf of its constituency. A copy of the agreement is *attached* for ease of reference.

Members will be updated on developments.
