PSA enters into Recognition Agreement with SANBI

The PSA and SANBI have entered into a recognition agreement (*attached*). Founded on 7 July 1920 with a vision of protecting and promoting the rights and interests of workers, the PSA is proud of its many accomplishments in trade unionism and being instrumental in advancing the ever-changing labour movement. Employees who are yet to join the Union of Choice are urged to become part of the Union that specialises in nothing but workers' issues.

The following are some of the reasons to join the PSA:

- The PSA is a growing Union with 244 000+ members, served by Provincial Offices across the country.
- The PSA is a non-political Union with no political affiliation.
- The PSA attends to members' individual disputes at no extra cost for the member.
- The Union negotiates fair terms of remuneration and represents members' interests in bargaining structures.
- It addresses issues such as fair and reasonable working conditions, hours of work, and leave.
- It protects members' service benefits, *i.e.*, medical aid, pension, and housing allowance/subsidies.
- The PSA promotes members' interests during collective bargaining in bargaining forums with employers and acts only on members' mandate (mandates on collective issues are obtained from member structures).
- The PSA issues a magazine and workplace-specific newsletters to members at no extra charge.

Members also enjoy the following PSA exclusive benefits:

- The PSA offers free financial assistance with funeral costs at the death of a member.
- Make your short-left dream trip a reality by lay-buying your holiday through the PSA Travel Club.
- Free membership of PSACLUB.
- Join thousands of members who are enjoying discount coupons for leading shops such as Dischem Pharmacies, Checkers, Checkers Hyper, Shoprite, and Pick n Pay.
- Visit the PSA Holiday Resort at discounted rates.
