PSA Pretoria Annual Intersectoral Members' Meeting: Tickets sold out!

The PSA is thrilled to announce that **tickets for the upcoming Intersectoral Members' Meeting**, scheduled for **6 December 2024**, have been sold out! Sincere appreciation is extended to members for the enthusiastic response and eagerness to be a part of this special annual event. The overwhelming support highlights the strong sense of community and dedication in the Union.

Owing to occupational health and safety regulations, the venue is limited in capacity, and unfortunately, no additional attendees can be accommodated at this time. The PSA understands that some members may be disappointed, and sincerely apologises for any inconvenience this may cause. Rest assured, the PSA will explore alternative ways to accommodate more members in future to ensure that all interested members have an opportunity to participate in similar events.

Please also note that **any member who purchased a ticket but is unable to attend the event** on the day will **forfeit any goodies or giveaways** distributed at the event. This policy is in place to prevent any negative impact on event logistics.

Once again, thank you for your unwavering support. The PSA looks forward to sharing a successful and memorable Intersectoral Meeting with members!
