Feedback: Western Cape PHSDSBC Chamber meeting: 24 April 2024

Annual General Meeting

An Annual General Meeting (AGM) was held on 23 April 2024 where the Chamber Secretary presented the draft PHSDSBC Annual Report for financial year 2023/24. The content of the report was confirmed by labour and the employer and adopted.

Newly elected Chairperson and Vice-Chairperson

In terms of PHSDSBC Resolution 4/2015, parties are required to elect a new Chairperson and Vice-Chairperson for the 2024/25 period. The PSA is therefore proud to announce that Jacque Botha from the PSA was elected as the new Chairperson of the Western Cape PHSDSBC Chamber for the period 2024/25. Liesl Strauss from the Department of Health and Wellness was elected as Vice-Chairperson.

Special Chamber meeting: Dispute management

A special meeting was conducted after the AGM to address dispute management concerns. A virtual engagement was held with Vusi Mnguni, Manager: Dispute Management for the PHSDSBC, where the appointment of commissioners, dispute resolution mechanisms, the importance of being able to identify and distinguish between the type of dispute, the issue in dispute and the true nature of the dispute, along with the applicable rules and procedures were addressed and clarified.

It is imperative that members allow the PSA Office to act on their behalf should an issue in dispute arise. For any Health and Social Development dispute-related queries, please contact the PSA Labour Relations Officer, Angelo Fisher on 082 880 8955 / angelo.fisher@psa.co.za and Hanneke.Wolfaardt@psa.co.za.

The next Chamber meeting is scheduled for 13 June 2023.

Members are encouraged to continue utilising their IMLC platforms to raise any collective concerns *via* their shop stewards to ensure that matters are resolved at the lowest level possible.
