## Feedback: DCDT special Departmental Bargaining Chamber meeting - 17 April 2025

### Departmental Policies

Members were informed that the employer presented the Management of Losses and Damages Policy and the Career Management Policy at the Departmental Chamber for consultation and review. These policies were deferred to the Policy Task Team for further engagement. Several meetings were held by the Task Team to consult on both policies. After these meetings, the Task Team confirmed that the consultation process had been finalised and requested that the Chamber should adopt both policies and remove these from the agenda. The PSA has noted the report and will continue to monitor the implementation of both policies to ensure these are effectively executed and achieve the intended intentions. Members are encouraged to familiarise themselves with both policies, as they have a direct impact on them.

Employees who want to join the PSA can visit the PSA's website, send an email to [ask@psa.co.za](mailto:ask@psa.co.za), or contact PSA Provincial Offices.
