Feedback: DTA Policy Task Team meeting

Building Continuity Management Policy

The Business Continuity Management Policy is a new policy that was tabled at the previous Chamber meeting. The employer has since presented the policy to organised labour during the Policy Task Team (PTT) engagement.

The policy aims to:

- Ensure organisational resilience and uninterrupted service delivery.
- Align with global standards and regulatory requirements, and
- Preserve the Department's reputation and ensure continued operations during major disruptions.

Members are encouraged to review the policy (*attached*) and submit their inputs to machupen@cogta.gov.za by no later than **25 June 2025**.

Employees who wish to join the PSA can visit the PSA website or contact the nearest PSA Provincial Office.
