(DSAC)

Feedback: KwaZulu-Natal GPSSBC - Provincial Chamber meeting - 13 June 2025

The following items were discussed:

DSAC relocation

This agenda point was discussed during the Chamber meeting on 20 March 2025 and again during the meeting on 13 June 2025. The PSA informed the Chamber that it had addressed a letter to the Head of Department, raising concerns about affected employees, including that the Department has failed to provide office accommodation to employees who have already relocated to Pietermaritzburg.

The employer indicated that out of 60 employees who are affected by relocation, seven employees raised objections. A committee has been established to consider the objections. Organised labour requested to be included in the committee to consider objections from affected employees.

The Chamber resolved that the issues of staggered relocation, office accommodation, and objections be dealt with at the Departmental Task Team and parties to report back to the next Chamber meeting, scheduled for **22 September 2025**. Members will be informed of developments.
