Mandela Day: PSA clean-up campaign

The PSA North West Provincial Office in Mahikeng invites all members to join the union in commemorating Mandela Day through a special community clean-up activity at:

- Venue: Mahikeng Provincial Hospital
- Date: 18 July 2025
- Time: 10:00 - 11:07

In honour of Nelson Mandela's 67 years of service, the provincial office will spend 67 minutes picking up litter and helping create a cleaner, safer environment for hospital staff and patients.

All shop stewards and members in the Mahikeng area are welcome to join the office in this collective effort. Your presence and participation would be greatly appreciated. Let us stand together in the spirit of Ubuntu and make a difference, just as Madiba inspired us to.

All members are welcome to join!

Reuben Maleka
GENERAL MANAGER
