Dispute lodged regarding relocation process to Centurion: Matter set down for conciliation on 14 May 2025

Members are aware that the employer and labour could not agree on the process of relocation from the current offices to Centurion, which was not in the interest of the organisation and employees. Despite employees raising concerns through their union representatives, the employer continued pushing for such an illogical move.

Subsequently, the PSA declared a dispute with the CCMA on 7 April 2025 after the call by the PSA for the employer to reverse the unilateral decision to move the office to Centurion. The CCMA has thus set the matter down for conciliation on 14 May 2025 where parties will have the opportunity to state their case. Members will be updated on developments.

Employees who want to join the PSA can visit the PSA's website, send an email to ask@psa.co.za, or contact PSA Provincial Offices.
