Engagement with Forensic Pathology – 27 November 2025

The PSA has scheduled a virtual meeting to consult with members regarding their possible of withdrawal from the OSD as per Resolution 2/2010. Challenges regarding the work environment of Forensic Pathology Officers (FPOs) and Managers will also be discussed.

The meeting is scheduled for **27 November 2025** from **08:00** to **10:00**. The PSA calls on members across the country to attend. Shop stewards and members are further encouraged to consolidate their mandate and submit from an institution instead of submitting as individuals.

Provincial leadership and Sector negotiators are urged to facilitate attendance as well as submission of issues faced by the FPOs. This will be first of many meetings that will be held with FPOs. Members are advised to send issues and mandates to:

- Limpopo, Gauteng, and Free State – Aubrey.mabotsa@psa.co.za
- KwaZulu-Natal, Western Cape, and Northern Cape – kagisho.kagisho@psa.co.za
- Eastern Cape, North West, and Mpumalanga – Velucia.maluleke@psa.co.za

However, any objections for removal of FPOs from the OSD can be sent to john.teffo@psa.co.za on or before **25 November 2025**. The link for the meeting has already been shared with Provincial structures and Offices.

Employees who want to join the PSA can visit the PSA's website or contact PSA Provincial Offices.
