Update: CCPECP (Coordinating Chamber for PSCBC Eastern Cape) Annual General Meeting (AGM) – 04 July 2025

The CCPECP held its AGM on 4 July 2025, and the following were discussed.

Chamber Management Elections

The elections for Chamber Management were concluded with the following outcomes:

- Chairperson was elected from (Labour)
- Vice-Chairperson from Labour (Labour)
- Vice-Chairperson from (Employer)

Labour resolved to retain the Chairperson, Mr. T. Koya, and elected Mr. Sikwe as the new Vice-Chairperson. This decision was based on the short remaining term of office and the need to ensure continuity and stability in the operations of this well-coordinated chamber.

Members are reminded that the next CCPECP meeting is scheduled for 15 August 2025, and as such, agenda items for PSA to table at this meeting with motivation are requested.
