Feedback: SIU consultation on performance assessment tools

As members are aware, the employer at SIU has engaged the PSA in consultation on the implementation of a new performance assessment tool for the SIU.

In the preceding consultation sessions, the PSA expressed the input received from members on their concerns around issues such as the KPAs on the Performance Agreement and instruments not aligning with job profiles, weightings, *etc.* This process is still continuing and at the last meeting the employer tabled a revised tool, which is *attached* to this *Informus*.

Members are requested to provide the PSA with their input on the *attached* tool by sending an email to astrid.al-anani@psa.co.za, before **15:00** on **Friday, 1 August 2025**.

Input from members will be discussed at a task team meeting that will be convened after such is received to ensure that all concerns are responded to and resolved.

Employees who want to join the PSA can visit the PSA's website, send an email to ask@psa.co.za, or contact PSA Provincial Offices.
