Immigration training at Lindela Holding Facility

The PSA received reports that there are 19 Immigration Officials from various provinces attending training sessions at the Lindela Holding Facility in the Krugersdorp region. The members submitted the following complaints to the PSA for urgent intervention:

- Airconditioning system not working
- TV and refrigerator not working.
- Paint in rooms fading
- No transport allocated to town
- One room has four beds, one shower, and one toilet.
- Poor treatment by facilitators

Subsequently, the PSA visited the facility on 18 February 2026 to conduct an inspection. The issues were immediately raised with the management responsible for the training. The management apologised for the unacceptable working environment and committed to resolving the listed issues as a matter of urgency. Parties agreed to reconvene at the soonest date for a follow-up session. Members are urged to report any further complaints about the condition of the facility to the PSA Chief Negotiator at peter.mngomezulu@psa.co.za / 082 880 8980, so that employer could resolve these urgently.

Employees who want to join the PSA can visit the PSA's website or contact PSA Provincial Offices.
