DHA Eastern Cape members: Submit workplace concerns for Provincial Consultative Forum

The Department of Home Affairs in the Eastern Cape will hold its Provincial Consultative Forum (PCF) meeting on 7 August 2026. The PCF provides a platform for the Department and admitted unions to consult on workplace matters, monitor agreed decisions, and address issues affecting employees in the Province.

The PCF is scheduled to meet four times a year. The PSA is represented at the forum by Mr Welcome Ngcobo, Ms Nobuntu Mabandla, Ms Noncedo Sabata, and Mr Maliphathwe Luwaca. Because the PCF plays an important role in the Province, the PSA encourages members to support the Union's representatives by submitting inputs and agenda items for tabling at the Forum.

Members are encouraged to use the upcoming PCF meeting on 7 August 2026 to raise concerns affecting employer-employee relations, working conditions, occupational health and safety, human resources, infrastructure, service delivery, or any other workplace-related matters that require consultation with management. Agenda items must be submitted to Welcome.ngcobo@psa.co.za by no later than **3 August 2026**.

Your mandate is the PSA's voice. Join the Union of Choice today and receive exceptional service regarding your professional workplace needs.
