Recognition of Years of Service

The PSA remains committed to ensuring that all members receive the recognition and benefits they are entitled to. One of the key areas where members often require clarity is Years of Recognised Service, a factor that directly influences service awards, salary progression, leave benefits, and pension calculations.

If you have any questions or uncertainties regarding your years of recognised service, whether it relates to:

- Verification of service records
- Gaps or discrepancies in your service history
- Transfer of service between departments
- Recognition of previous employment
- Confirmation for HR or pension purposes

The PSA Bloemfontein Office is ready to assist you. The team will gladly help you obtain accurate information, resolve outstanding issues, and ensure that your service record reflects your dedicated years in Education. Contact Lynsie, Mpho or Benny at the PSA Bloemfontein office at Lynsie.pelser@psa.co.za / mpho.tlthatlogi@psa.co.za / benny.seema@psa.co.za.

Send your *Persal* number and query through email to us. Our dedicated staff members are here to support you and ensure your rights and benefits are fully protected.

Thank you for your continued commitment to Education and for being a valued member of the PSA.
