Your continued confidence in the PSA enables us to remain the leading voice for public servants in the Free State. This achievement also belongs to the Unions dedicated PSA Shop Stewards, Full-Time Shop Stewards, Provincial Office Bearers, Provincial Management Committee, Provincial Structures, and the committed staff of the PSA Provincial Office. Your hard work, dedication and daily engagement with members have contributed immensely to this outstanding result.

However, with majority comes responsibility. As the leading Union in the province, the PSA remains committed to protecting the rights and interests of its members, defending fair labour practices, promoting sound collective bargaining, and ensuring that the voices of public servants continue to be heard. The PSA will continue to work tirelessly to improve conditions of service and safeguard the hard-earned rights of every PSA member. Let this achievement inspire everyone to continue growing the PSA, strengthening workplace structures, and recruiting more public servants to join an organisation that consistently delivers on its mandate.

Together we are stronger. Together we will continue to protect, represent and serve the members of the PSA. Well done to every member of the PSA family in the Free State. Amandla!
