Important notice: Update on short-term insurance access for PSA members

The PSA's long-standing collaboration with *Guardrisk* and *PSG* in relation to short-term insurance will end on **28 February 2026**.

The PSA has arranged a new collaboration with ***Santam Direct***, in terms of which PSA members will continue to have the opportunity to **access short-term insurance products offered by *Santam Direct***, including cover for motor vehicles, household contents, and personal belongings.

Santam Direct is the insurer and is responsible for all aspects of underwriting, pricing, policy terms, and policy administration. The PSA does **not** provide insurance advice, intermediary services, or underwriting, and members are under no obligation to obtain insurance through *Santam Direct*.

As part of this collaboration, ***Santam Direct* may make certain offers or benefits available to PSA members**, subject to the insurer's underwriting criteria and terms and conditions.

If you would like ***Santam Direct*** to contact you directly to discuss its products, please click on the following link and complete the short consent form: [Consent Form](#).

You can also refer to the *attached* FAQs for further information regarding this transition. Should you have any questions, please contact mahlatsi.koma@psa.co.za.

Thank you for your continued trust in the PSA. The PSA is committed to facilitating access to valuable member benefits and trusted third-party service providers.
