FOR PSA MEMBERS: **GENERAL14/2026**

19-05-2026

Scan. Update. Connect!

The PSA has launched a national “**Update Your Details**” campaign to ensure that member contact information in the PSA database is accurate and complete.

Accurate member contact information is essential for effective communication, efficient service delivery, and strong representation. Correct details further assist the PSA when mandates are required from members, when feedback on cases must be provided, when urgent workplace developments need to be communicated, and when important updates regarding benefits, meetings, campaigns, and member services are shared.

Participate!

Members are encouraged to update their contact details by scanning the **QR code** below or where displayed at various locations to complete the update process. The process is quick and easy to complete in less than two minutes. Members are also encouraged to remind fellow PSA members to scan the QR code and update their contact details.

Members who complete the survey will stand a chance to win a limited-edition PSA-branded cap in a lucky draw, taking place on 30 September 2026.

All personal information submitted through the campaign will be handled securely and in line with the *Protection of Personal Information Act*.

The PSA urges all members to participate in this important campaign.

Update your details. Stay connected. Strengthen the PSA!
