

PSA introduces *Home Assist* as new business partner

Affordable home maintenance and emergency repair services now available to PSA members

The PSA is pleased to introduce *Home Assist* as the Union's new business partner, bringing members access to affordable and reliable home maintenance support. Known as the "Medical Aid for Your House", *Home Assist* provides responsive and preventative maintenance services designed to assist homeowners when unexpected repairs or household issues arise. *Home Assist* is a 24-hour, subscription-based home-maintenance company operating across South Africa, Botswana, and Namibia. Services assist homeowners with routine maintenance, everyday repairs, and essential household upkeep, providing members with peace of mind when faced with unexpected home emergencies.

Exclusive benefit for PSA members

Through this partnership, PSA members can subscribe to the *Home Assist* Emergency Home **Maintenance Plan** at a **special discounted rate of R60 per month** (Standard price: R90 per month)

Membership provides assistance with:

Plumbing works: Burst or leaking pipes, underground leaks, geyser leaks, tap mixers, and toilet systems.

Drain unblocking: Drains, toilets, gullies, showers, and basins.

Electrical faults: Switches, breakers, plugs, sockets, electric fence faults, gate-remote programming.

Additional services: Locksmith services, roof leaks, toilet flushing systems.

24-Hour Emergency Assistance include: Gate-motor faults, underground water leaks, tripping electricity, locksmith services (*unlocking only*), blocked drains, toilets, gullies, showers and basins, complete cut-off of water supply.

Activate your subscription

Getting started is quick and easy. PSA members can activate their *Home Assist* subscription using any of the following options or by scanning the QR code to complete the application form: *WhatsApp* - 076 695 9093 / psa@homeassistafrica.com / <https://homeassistafrica.com/psa-home-assist/>

Members may also complete the **PSA Home Assist membership form**:
