

## PSA Johannesburg Region Recruitment Competition – 21 May 2026 to 2 June 2026

### Bafana Bafana Soccer Jersey Winners

Mr Daniel Donsie Monareng – recruiter member

Mrs A Sekamane – recruited member

The PSA Provincial Office in Johannesburg is proud to recognise the exceptional contribution of Mr Daniel Donsie Monareng, a recently joined PSA member who has already made a remarkable impact on growing the PSA's membership base. Shortly after joining the PSA, Mr Monareng demonstrated an admirable commitment to the Union by going above and beyond to recruit approximately **30 new members**. His enthusiasm, dedication, and belief in the PSA's mission from the very outset of his own membership is a testament to the kind of spirit that strengthens the PSA and advances the Union's collective purpose.

As part of the recruitment drive, the Johannesburg Provincial Office conducted a draw amongst newly recruited members. The PSA is pleased to announce that Mrs A Sekamane, a colleague of Mr Monareng at the same school, emerged as the lucky winner of the draw.

The PSA Johannesburg Provincial Office extends congratulations to Mr Monareng and Mrs Sekamane. Mr Monareng's achievement, particularly as a new member himself, serves as a powerful example that every member has the ability to make a meaningful difference in building a stronger and more representative Union.

The PSA thanks all members who continue to champion the Union's cause and invite their colleagues to join the Union. Every new member brought into the PSA family contributes to a more powerful collective voice for public servants across South Africa.
