Organisational structure review: Gauteng Department of Health

Members will recall that the PSA and other unions have been engaging on a consultation process regarding the organisational structure. The Gauteng Department of Health (GDOH) has indicated that it has submitted the organisational structure to the Office of the Premier and the Department of Public Service and Administration.

This submission was made by the GDOH without finalisation of the consultation process and endorsement by the Gauteng PHSDSBC. Parties at Chamber are deadlocking. The PSA reserves the Union's right to declare a dispute.
