FOR PSA MEMBERS: **GENERAL PUBLIC SERVICE SECTORAL BARGAINING COUNCIL (GPSSBC) - KWAZULU-NATAL (KZN)**

17-11-2026

Feedback: GPSSBC KZN Provincial Bargaining Council (PBC) -13 November 2026

Departmental Task Teams Reports/*Status quo* of all Departmental Labour Forum in GPSSBC KZN Departments

The employer reported that most departments managed to convene their departmental task teams except for the few who had other internal commitments. The PSA noted the report, which displayed an improvement in the number of departments convening these task teams. Noting that the Office of the Premier was amongst departments that have not convened the meetings, the PSA urged the employer to lead by example and convene their task team first, which was agreed to.

Business case: Restructuring in Department of Transport

The employer reported that the task team meeting scheduled for October 2026 was rescheduled to 23 November 2026 as it did not meet a *quorum*. The PSA noted the report.

Changes: COGTA organisational structure

The employer reported that COGTA was on the verge of finalising project plan consultations on restructuring, and parties will be addressed when the next DTT is convened. The PSA noted and emphasised that the DTT must be convened before December 2026, which was agreed to.

Re-alignment: Community, Safety, and Liaison organisational structure

The employer reported that a meeting was convened with the Office of the Premier (OTP) to discuss the proposed organisational structure, and it is now waiting for OPT comments. Once such is received, the Departmental Task Team will be convened for consultations. The PSA noted the report.

Restructuring: Office of the Premier

The employer reported that it will be engaging in the Departmental Task Team (DTT) as it has consolidated its internal consultation in respect of the proposed restructuring. The PSA noted the report and emphasised the urgency to convene the meeting as the leader of provincial government. It was agreed that the DTT will be convened around December 2026.

Review of organisational structure: Department of Public Works and Infrastructure

The employer reported that the Department is seized with data collection from its business section towards planned restructuring. It was agreed that the matter will be tabled at the DTT for consultations once the data collection is concluded.

Closure of uMzinyathi Sub-District Office: KZN Public Works and Infrastructure

The employer reports that it will in due course present a comprehensive report at the DTT in respect of the closure of uMzinyathi Sub-District Office and resettlement of affected employees. The PSA welcomed the employer's commitment to consult.
