## HSRC Negotiations Update: Cost-of-living adjustment 2026/27

The PSA received the demands for 2026/2027 Cost-of-Living Adjustments from members for engagement with the employer. The meeting with the employer took place on 30 March 2026 following budget allocation from treasury. As a mandate driven union, the PSA tabled the 7.5% salary increments and a once off bonus demands. The employer noted the demands and requested time to consult and obtain a mandate from its Board of Directors. The PSA agreed to the employers' request and members will be informed of a new date for the meeting.

The PSA is committed to assisting members with collective and individual matters.

Employees who want to join the PSA can visit the PSA's website or contact PSA Provincial Offices.
