Review: Policies and organisational structure

The PSA informs IPID members that the employer has tabled the following policies for review:

- Injury on Duty Policy
- Security Policy
- Working Arrangement Policy
- Smoking Policy

The employer has further tabled the correct organisational structure for review. This follows the previous tabling of an incorrect structure.

Members are requested to carefully go through the *attached* documents and submit inputs, comments, or proposed amendments on or before **3 September 2026**. Inputs should be guided by members' workplace experience and should identify any concerns, gaps, or practical implementation issues arising from the policies or the structure. Inputs can be sent to lchaba@ipid.gov.za. The PSA will consolidate members' input and engage the employer accordingly during the consultation process.
