Notice of postponement: Durban Intersectoral Members' Meeting

The PSA regrets to inform members that the Durban Intersectoral Members' Meeting, which was scheduled to take place on 24 July 2026, has been postponed.

This decision was taken after careful consideration of unforeseen logistical challenges affecting the organisation of the event, and the unavailability of keynote speakers. The PSA believes that these speakers will add significant value to the meeting by addressing critical issues affecting public servants and engaging directly with members. Rather than proceeding with a programme that would not meet the standards expected by members, the PSA has resolved to postpone the meeting to ensure that the event is successfully coordinated and delivers maximum benefit to all delegates. A new date, venue, and programme will be communicated to members as soon as all arrangements have been finalised.

The PSA apologises for any inconvenience caused and appreciates the understanding, patience, and continued support of members. The PSA is committed to hosting a successful Intersectoral Meeting that provides members with meaningful engagement on matters affecting their employment, working conditions, and the future of the public service.

Members are encouraged to continue engaging with their PSA Organising/Marketing Officers or the Durban Provincial Office should they require further information.

Employees who are not members of the PSA can visit the PSA's website or contact the PSA Provincial Office in Durban for assistance.
