## PSA Pietermaritzburg Office welcomes new intern

The PSA Pietermaritzburg Provincial Office warmly welcomes the appointment of Thembelihle Chonco as the new Labour Law intern as from 1 July 2026. The PSA believes that practical exposure is essential in preparing future labour law professionals through mentorship, training, and hands-on experience. This opportunity aims to equip young people with skills, knowledge and confidence needed to contribute meaningfully to the labour relations field.

Thembelihle will be working alongside experienced labour relations officers to assist members, which will assist in providing service excellence. She will have an opportunity to deepen her understanding of workplace legislation, dispute resolution processes, employee representation, admin, case management, and collective bargaining. The PSA welcomes Thembihle and wishes her the best of luck in her new role as a Union who remains committed to investing in skills development and strengthening the future of labour relations.

For further information or Union-related matters kindly contact the Pietermaritzburg Provincial Office at (033) 392 7600.
