

FOR PSA MEMBERS: LIMPOPO

18-02-2026

Government Employees Medical Scheme (GEMS) mass action

The PSA calls on all members to unite in peaceful protest against the unjust 9.8% increase by GEMS. This mass action is a critical step in defending the rights and financial well-being of our members.

The event is scheduled as follows:

- **Date:** 21 February 2026
- **Venue:** GEMS Office, 54 Market Street, Polokwane
- **Action:** Peaceful March (in accordance with the *Gatherings Act*)

Members and pensioner members of GEMS, you are called upon to come and make your voice heard when the PSA submits its memorandum of demands to GEMS.

- To oppose the unfair financial burden placed on members.
- To demonstrate solidarity and collective strength.
- To ensure members' voices are heard by decision-makers.

The PSA urges all PSA members to attend and actively participate in this peaceful march. Together, you can make a difference and show that you will not accept unjust increases without resistance.

Let's stand united in solidarity.
