## Update: Limpopo Gambling Board wage negotiations 2026/27

Members are reminded that the PSA was mandated to table salary demands for the 2026/27-financial year. The PSA formally submitted the demands in July 2025 as follows:

- Salaries: Increase of 6% plus 1% CPI
- Cell phone allowance: Increase of 6% for qualifying employees
- Car allowance: Increase of 6%
- Danger allowance: Increase of 6%
- Pension: Increase of 6%
- Medical aid

The PSA engaged employer, and receipt of the demands was acknowledged. The employer proposed to increase salaries by 4.14% representing the CPI as per the budget guidelines plus 1%. Cell phone, Danger and Housing allowance will increase by 4.14%, representing the CPI only.

Members indicated that they will only accept the offer on condition that employer implements a travel allowance, increases pension, and finalises a car allowance policy, as there was no increase in the previous financial year for both matters, even after the agreement was signed. Members further indicated that they want to belong to GEMS medical-aid scheme.

Members will be informed of developments.

The PSA will do everything in the Union's power to protect members' rights and promote their interests as practicing service excellence is an important value of the PSA.
