PSA meeting with HOD

The PSA and the Social Development leadership held a constructive meet-and-greet session with the Head of Department (HOD), Ms M Radebe, on Friday, 10 April 2026. The engagement proved to be meaningful and productive. The PSA is encouraged by the outcomes of this meeting and is confident that this was not merely a courtesy engagement, but a results-driven interaction in which tangible resolutions were reached.

One of the key resolutions emanating from the meeting is that the PSA Provincial leadership will convene a dedicated one-on-one follow-up meeting with the HOD on Friday, 17 April 2026. This session will focus on further engaging on matters affecting members in the Department. In preparation for this engagement, members at the Department of Social Development in Mpumalanga are invited to submit any issues, challenges, or concerns that they wish the PSA to escalate to the HOD. Submissions can be forwarded to: Nomfundo Mlangeni at nomfundo.mlangeni@psa.co.za or the PSA Provincial Office in Nelspruit at (013) 741 7500. All inputs must be submitted on or before Wednesday, **15 April 2026**.

The PSA is committed to representing and advancing the interests of members.
