FOR PSA MEMBERS: **NORTHERN CAPE DEPARTMENT OF EDUCATION**

Victory for PSA members

The PSA was approached by four members employed by the Department of Education and all based at a hostel lodge of a school in Namakwa District. The members complained about outstanding overtime payment of six months. They were duly advised to follow the grievance procedure. The PSA represented them at the grievance meeting where a settlement agreement was reached in favour of the members. The employer also paid R3 000 to each member on the agreed date.

Members are assured that the PSA will continue to ensure that workers' rights are protected in the workplace. Public servants are encouraged to join the PSA by contacting Mhlanguli Madubela on 082 880 8982.
