

FOR PSA MEMBERS: **NORTHERN CAPE GAMBLING BOARD AND LIQUOR BOARD**

28-07-2026

What is happening at NC Gambling Board and Liquor Board?

As previously reported, the Northern Cape Gambling Board and Liquor Board are undergoing a merger. A consultative meeting was held on 23 July 2026, with the approval of the new organisational structure as the main item for discussion. The Board briefly explained how the new structure had been approved. The PSA raised dissatisfaction with the process followed by the Board.

Agenda and consultation process

The PSA emphasised the need for proper consultation with affected members before any contracts are issued or signed. The Board acknowledged the PSA's concerns and agreed with the Union. The PSA further proposed establishing a Labour Management Forum to serve as platform for all stakeholder engagements. The employer accepted the PSA's proposal.

Outstanding information and way forward

The meeting resolved to further engage on issues concerning the merger process. PSA members are assured of continued support from the Union on labour matters.

All public servants are encouraged to join PSA by contacting Mhlanguli Madubela on 082 880 8980.
