

FOR PSA MEMBERS: **NATIONAL HEALTH LABORATORY SERVICES**

22-01-2026

Important notice to NHLS employees

During November and December 2025, the PSA Johannesburg Provincial Organiser conducted a recruitment and service drive at NHLS, which was warmly welcomed by employees.

It was noted by the Organiser that a number of employees are not unionised and are unaware of the risks of not belonging to a union. Employees who are not union members are vulnerable to unfair labour practices and do not receive representation in workplace disputes.

Some employees pay an agency fee, yet receive no union protection or representation, despite paying significant amounts.

The PSA encourages all non-unionised and agency-fee-paying employees to join the PSA to protect their jobs and prevent exploitation. Please contact Sibusiso Ndzala (PSA Provincial Organiser) on Cell/WhatsApp - 082 880 8964 / sibusiso.ndzala@psa.co.za.
