Victory for PSA members

Department of Public Works

A member within the Department approached the PSA for assistance as his manager refused to sign his performance assessments which resulted in the member not being assessed for the period of 2024/2025 financial year. After the matter was referred to the council, the ruling was in favour of the member. The Department was ordered to pay the member his outstanding pay progression along with backpay. The member was pleased with the assistance received from the PSA.

Department of Economic Development and Tourism

A member within the Department was dismissed due to his ill health. The member approached the PSA for assistance. The matter was referred to the council to determine whether the dismissal of the member was fair. The award was in favour of the member, and the Department was ordered to compensate the member with an amount equivalent to two months' remuneration as compensation. The member was pleased with the efforts of the PSA.
