Forensic Pathology Officers (FPOs): Amendment of Resolution 2 of 2010 OSD for Therapeutic, Diagnostic and Allied Professionals

Members were previously informed that the parties had reached an agreement in principle on the removal of FPOs from the Occupational Specific Dispensation (OSD). Following this development, the PSA invited members to submit inputs on the draft agreement and held a members' meeting for further engagement.

Members are now invited to submit a mandate on whether the PSA should sign or reject the attached draft agreement. The mandate must be forwarded to: *kagisho.kagisho@psa.co.za* by **no later than 16 November 2016.**

Employees who want to join the PSA can visit the PSA's website, send or contact PSA Provincial Offices.
