Feedback: Task team meeting – 18 September 2026

Forensic Pathology Officers (FPOs): Amendment of Resolution 2/2010 - OSD for Therapeutic, Diagnostic, and Allied Professionals

Members were previously informed that parties had agreed in principle to the removal of FPOs from the Occupational-Specific Dispensation (OSD). This decision resulted in the establishment of a task team mandated to develop a draft collective agreement. The draft agreement focuses on the translation of FPOs from the OSD to public service salary scales/notches, with a firm assurance that no employee will be disadvantaged by this process.

Members are invited to submit input on the *attached* draft agreement by **28 September 2026**. Submissions must be directed to kagisho.kagisho@psa.co.za no later than the specified date.

Employees who want to join the PSA can visit the PSA's website, send an email to ask@psa.co.za, or contact PSA Provincial Offices.
