## SARS salary negotiations for 2026/27-financial year: Kick off

Members are informed that substantive wage negotiations for the 2026/27-financial year will commence on 7 May 2026, starting with a clarification session. A clarification session is the initial stage of the negotiation process where parties engage on submitted demands to ensure a clear and mutual understanding. During this session, parties may seek further detail, request supporting information, and raise questions on specific aspects of demands. During the clarification session parties are not engaging in bargaining or making any offers.

Upcoming negotiation sessions are scheduled as follows:

- Plenary 1: 11 - 12 May 2026
- Plenary 2: 26 - 27 May 2026
- Plenary 3: 8 - 9 June 2026

Members will be kept informed with consistent updates on all developments.
