## PSA accepts SARS offer of 5.5%

As previously communicated, the PSA is pleased to inform members that the mandating process has been concluded. A total of 3 890 members participated in the mandate, representing a 71.5% voter turnout. Of those who voted:

- 79.5% (3 092 members) voted YES to accept the employer's offer.
- 20.5% (798 members) voted NO to reject the offer.

The mandate has therefore produced a clear majority in favour of accepting the employer's offer of a 5.5% across-the-board salary increase for all bargaining unit employees effective 1 April 2026 to 31 March 2027, with the remaining demands to be dealt with through a task-team process.

Based on this mandate, the PSA will proceed with the signing of the agreement and members will be paid backdated to April 2026.
