The PSA attended the above-mentioned meeting and the following agenda items were discussed as follows:

Purpose and decision-making powers of Bargaining Forum

Parties to the Bargaining Forum discussed the responsibilities of the above structure following confusion on what kind of issues are to be discussed in the Forum. A decision was taken to convene a special Bargaining Forum meeting on 19 or 20 October 2026 to further engage and, where possible, identify areas that must be strengthened. These include the amendment of the SAWS Bargaining Forum Constitution. The employer committed to confirming the meeting date as proposed.

Purpose and scope of Bargaining Forum

The employer circulated a draft amendment to the Bargaining Forum and will include as a source document governing the discussions, purpose, and principles of the Bargaining Forum. The employer will circulate the draft document to labour on 13 October 2026 whereafter labour will be expected to respond and give inputs three days after the draft document has been received from the employer.
