

FOR PSA MEMBERS: **SHOP STEWARDS**

12-10-2026

PSA shop stewards: Earn R200 for every successful referral!

The PSA is pleased to announce exciting partnership between the PSA Insurance and *Santam*, South Africa's leading short-term insurer, specifically targeted at PSA shop stewards. As a valued PSA shop steward, you have an opportunity to assist members in obtaining competitive short-term insurance solutions from *Santam*, whilst earning a **R200 referral incentive** for every successful referral.

How it works

1. Encourage PSA members to obtain a no-obligation short-term insurance quote from *Santam*.
2. Ask the member to **scan the QR code** and complete the referral form.
3. Ensure that the member includes the details of the referring shop steward on the form.
4. Upon a successful referral, the PSA shop steward will receive **R200**.

Get a quote

Members can contact *Santam* directly at psa@santam.co.za or SMS "PSA" to **32806**.

Scan the QR Code!

Members are encouraged to scan the QR code (*above*) and submit their details for a *Santam* adviser to contact them.

Remember: To qualify for the R200 referral incentive, the shop steward's details must be captured on the referral form.

A successful referral is one that results in a member taking up an active insurance product with *Santam*.
