Why your participation is important

Helping the PSA grow is not just about increasing numbers - it is about strengthening the Union's collective voice. Every new member adds to the PSA's ability to advocate effectively for better working conditions, fair representation in hearings and arbitrations, and impactful collective bargaining.

By recruiting new members, you are directly contributing to the empowerment and support of your colleagues, ensuring that shared goals are met with greater influence and success.

Members can assist the PSA to grow by sending completed application forms to the PSA representatives as indicated below. Forms can also be handed in at the reception of the PSA Provincial Office in Cape Town. For more information or to join the PSA, contact the following PSA Organising/Marketing Officers:
