(GPSSBC) – WESTERN CAPE**

30-03-2026

Feedback: Western Cape GPSSBC Provincial Chamber meeting

A GPSSBC Provincial Chamber meeting was held on 26 March 2026 during which the following items were discussed:

Establishment of Occupational Health and Safety Forums – Department of Mobility

It was previously reported that work was underway to establish Occupational Health and Safety (OHS) Forums. The employer has since confirmed that positive progress has been made, including ongoing engagement with Supply Chain Management to ensure that training sessions in the outlying areas proceed smoothly and without interruption. The PSA is pleased to share that the OHS Forums are being implemented as scheduled, and employees are actively receiving the required training. A Training Schedule has also been provided for reference and planning.

Department of Agriculture – Farm Aids (Elsenburg)

As previously reported, the employer tabled the matter concerning the proposed adjustment of working hours for the Farm Aids responsible for the milking and feeding of cows at Elsenburg Farm. The employer has since agreed to provide transport. The PSA is pleased to confirm that the consultation process has been completed. It will now be returned to the IMLC where any remaining issues can be dealt with in the IMLC.
