## Wage negotiations: 2020/21-financial year

Members will recall that the PSA tabled its demand for a salary increase of 12% for a cost-of-living adjustment.

The employer tabled an offer of 5%, citing financial difficulties in the face of the current economic crises. The employer further indicated that an additional R100 would be added to the current housing allowance.

The PSA rejected the employer's initial offer. Engagements will continue at the next Joint Bargaining Forum meeting scheduled for 12 March 2020. Members will be updated on developments.
